

RVA Softball Classification Run Rule

CLASS	Inning							Extra Inn.
	1	2	3	4	5	6	7	
Class C	5	10	13	16	19	22	25	Unlimited
Class D	5	10	12	14	16	18	20	Unlimited
Class E	5	10	11	12	13	14	15	Unlimited

Once a team reaches the maximum number of runs allowed for any given inning, it then ends its turn at bat and plays defense. **If a team fails to reach the maximum in any given inning, it may score runs in future innings until it reaches the maximum number shown for the inning being played. In extra innings unlimited runs are allowed.**

Note: If the 2 teams agree, the run rule may be adjusted or not used. Both managers must agree and notify the umpire before the start of the game.
